Sir,

I have the honour to forward herewith the three estimates noted below for favour of your countersignature and transmission direct to the Secretary to the Hon'ble the Resident in Mysore, Bangalore, for sanction and return.

Out of the allotment of Rs. 6,000/- under Account I Police District Ex Force A 5 works for the current year estimates to the extent of Rs, 6,157/- have been sanctioned to date. On inspecting some of the Police buildings, it was found that two coats of white and colour washing as provided in the estimates were not necessary and so all the buildings have been required to be treated with one coat of white and colour washing. Consequently the expenditure on these estimates will be less and including savings in the estimates for other works a sum of about Rs. 500/- will be available for further expenditure during the year.

The expenditure on the three works will be met from this amount.

I have the honour to be,
Sir,
